

The use of the YET Logo

There are four formal YET logos which are detailed below. The logos are available from the Membership Secretary (membershipsecretary@theyet.org) as a Jpeg image.

- **Trust's Logo**
Use by the Trustees and Council for information and on headed note paper and publicity material
- **Membership Logo**
Current members of YET may use the Logo which has the word "Member" or "member organization" beneath the badge. This may be used on any material produced by the member / member organisation.
- **Approval Logo**
For approved expeditions the YET logo with the term "Approved" beneath the badge may be used. This may only be used on material within the time framework for that specific expedition / venture which has gained YET Approval and may not be used generically for any other expedition or publicity material.
- **Expedition Providers Association Logo**
For members of the Expeditions Providers Association (EPA) this logo can be used on any material produced by the organisation.
